

# Leading the Integration Revolution

Your business problems have changed. Why hasn't your integration solution?

# Vendor Comparison

Adeptia is the leading provider of integration solutions that enables organizations to meet the full range of their integration needs using a single, tightly integrated platform that supports data, application, B2B, and process (BPM) integration. Adeptia is perfect for organizations facing diverse and complex integration challenges that require a high level of agility to keep pace with rapidly changing business needs. Adeptia is 100% web-based, designed for maximum collaboration between business and IT and eliminates the need for programming.

## VENDOR COMPARISON CHART: JANUARY 2016

● = full coverage   ◐ = partial coverage   ○ = limited or no coverage
